# participating in the Bee will help your students:

strengthen life skills like time management and goal setting

inspire a lifelong love of learning

gain confidence and camaraderie with their fellow students

practice poise under pressure and public speaking

develop vocabulary and language skills

hosting a school spelling bee is simple. here's what you'll need:

1

## a school bee coordinator

to plan and coordinate the school spelling bee program

2

## bee officials

a 3-person panel of officials who serve as the pronouncer, judge and recordkeeper for your school spelling bee.

3

## location

for your school spelling bee (cafeteria, gym or auditorium)

4

a passion for helping your students have fun while learning!

## choose the best approach for your school

### traditional method

Students advance from classroom- or grade-level spelling bees to the school spelling bee.

### online test

Students with the best test scores advance to your school spelling bee. (Online test access is included with your enrollment!)

### opt-in

Students are nominated by teachers or volunteer to participate in the school spelling bee.

By inspiring the exploration of words, the Scripps National Spelling Bee illuminates pathways to lifelong curiosity, celebrates academic achievement and enriches communities.

No matter what path their spelling bee journey follows, your child will gain knowledge in spelling and vocabulary that will help them shine their light on the world.
