

# Annual Meeting

*(Reminder — If you are an elected delegate to the ESP House of Delegates, you are encouraged to attend this meeting.)*

At this year's annual meeting, elections for Eastern Division Officers will take place. Local presidents will be sent details via email closer to the date. Make sure a representative attends from your local so that your voice is heard!

***This is your last chance to attend a division activity this year.***

*ESP policy states: To be eligible for local assistance, a local representative is requested to attend at least one division meeting per year. If your local does not abide by this policy, you may find your local paying for its own arbitrations.*
