Join your colleagues from all over Pennsylvania in Harrisburg on Tuesday, March 25, for an ESP Lobby Day and to advocate for a Living Wage.

PSEA will cover release time for the first 250 responses. Travel expenses, including mileage, tolls, and parking, will be reimbursed, and hotel accommodations will be provided for those traveling over an hour to Harrisburg. Meals will also be covered or reimbursed.

Registration and arrival will start at 8 a.m., followed by a Rally for a Living Wage at 10 a.m. on the Capitol steps. Government Relations will arrange meetings with legislators throughout the day, from 8 a.m. to 2 p.m.

Worried about how to communicate with your elected officials? PSEA will offer a virtual advocacy training session and issue briefings in early March.
