Microcredentials for Postgraduate Credit

PSEA is helping members earn postgraduate credits from **PennWest—Edinboro University** at affordable prices through microcredentials!

Members who complete microcredentials can choose to earn **postgraduate credits** for only **\$70 a credit!**

What are Microcredentials?

A microcredential is a competency-based recognition of mastery in a specific topic. You can learn at your own pace, alone, or with friends!

PSEA, in **partnership** with NEA, offers dozens of microcredentials. Browse the over 150 options created by educators for educator online today at <https://bit.ly/NEA-MC>.
