

PSEA EA members who complete a microcredential can earn 15-20 Act 48 professional learning hours or one postgraduate college credit for \$70 from PennWest—Edinboro.

Includes topics and content developed for educators and by educators.

Earn PSEA Microcredentials for Professional Learning Hours!

A microcredential is a competency-based recognition of mastery in a specific topic. You can learn at your own pace, alone or with friends, and about topics of your choice!

PSEA, in partnership with NEA, offers over 150 micro-credentials created by educators for educators. Start exploring microcredentials today at <https://bit.ly/NEA-MC>.
