

INFORMATION ABOUT THE PSEA RESOLUTIONS HEARING AT THE DECEMBER 2022 HOUSE OF DELEGATES

A PSEA resolution is a statement of belief, intent, or position of PSEA. Currently, PSEA has almost 200 resolutions which are arranged in five goal areas that reflect PSEA's organizational purposes, as listed in the PSEA Constitution. PSEA's resolutions serve as the keystone for consideration when PSEA governance, staff, and members review pending legislation, regulatory efforts, and strategic goals.

The PSEA Resolutions Committee usually meets three times a year in Harrisburg and once at each House of Delegates. The committee also conducts open hearings at each House of Delegates so that PSEA members can address concerns to the Committee before the presentation of proposed resolutions to the House.

The December 2022 House of Delegates is hybrid, allowing for both in-person and remote delegate attendance. Therefore, the Resolution Committee's associated open hearing will also be hybrid. This notice is intended to provide details regarding the open hearing.
