

A world of opportunity awaits you...

Each year, Student PSEA holds elections for the following **Statewide and Region level positions**:

- **President**
- **President-Elect**
- **Vice-President**
- **Secretary**
- **PACE Chair**
- **PSEA House of Delegates Student PSEA Representative**

This year, there are also opportunities to be elected as representatives to the NEA Aspiring Educator Conference (AEC) and Representative Assembly (RA) in Portland, Oregon!

More than **75 positions are available** for you to serve and develop as a leader and educator.

If elected as an officer or representative, you may attend meetings and conferences at PSEA's expense. That means paid travel to Harrisburg, Pittsburgh, or Philadelphia – not to mention additional opportunities available through NEA! To ensure you know the process, procedures, and deadlines, check out what you need to know about running for office BEFORE the 2025 Student PSEA Conference and Convention!
