**Workshop: “Dark Side of Social Media” - Jessica Sabol, NE RAC and
Debbie Zabielski, NER UniServ**

The current student population is the most technologically savvy generation of all time. Because of this, PSEA members need to know how to communicate with students to ensure professionalism is maintained. This program focuses on the issues surrounding electronic media such as social media, text messaging, and email and the hazards it can bring into teachers' and students' lives if incorrectly used. This session also discusses the First Amendment and pertinent case law.

CHAPTER 14 CREDIT MAY BE AVAILABLE PENDING DISTRICT APPROVAL.
